Sergeant Harry E. Faville, who was clerk of the Surrogate's Court, Herkimer County, New York, before he entered the service, has returned from overseas in fine health and spirits. While in New York he stopped at the Belleclaire, saying that he remembered his up-State friends talking about the hotel that advertised Apple Pie and other good things to eat, and he also said that a man in his company in France had often expressed a desire for some Belleclaire good eating when hard tack and canned meat and weak coffee were being handed out to the boys.

It is a great thing to be able to do something to give a hotel a good name—and I confess that our advertising has helped us a lot in making the Belleclaire well known all over the world. Incidentally our advertising is backed up by performance—delivering the things we advertise. We are doing the same things for the Belleclaire Golf Country Club, Bayview, Long Island—our "ally"—by giving splendid service to the members of this already popular club.

La-may Face Powder Stays on Better Than Any Other

Now you can use a pure face powder that is guaranteed not to injure the most delicate baby skin. It will not cause enlarged pores, blackheads and irritations. And, it really stays on better than any other face powder. It does not contain white lead or starch or rice powder (Poudre de Riz) to make it stick. White lead poisons the skin and rice powder turns into a gluey paste that encourages enlarged pores, blackheads and rice powder pimples. The specialist who makes this improved powder uses a medicinal ingredient that doctors use to heal the skin. In fact, this new powder helps to prevent and reduce enlarged pores and pimples. It is also astringent, discouraging blemishes, crows' feet and wrinkles. Because it is pure and because it stays on so well, this La-may powder (French, Poudre L'amé) is now used by over a million American women. The large size is only fifty cents and the trial size is twenty-five cents. Remember, La-may is guaranteed absolutely pure. Five thousand dollars reward is offered any chemist who finds it contains any white lead or rice powder. Refuse substitutes. Your common sense will tell you that when you are offered a substitute it is sure to be a demonstrator trying to sell an inferior powder that pays a big commission. When you use this absolutely pure La-may and see how splendidly it beautifies your complexion you will understand why it so quickly became the most popular beauty-powder sold in New York. See this notice. La-may House is also pure.
